

School News:

This Week - by Claudie Kania, Kindergarten Teacher

The past few weeks have been very busy at Saints Peter and Paul. The boys and girls basketball teams finished up on Thursday evening, with our 8th grade night. All the students involved including players, cheerleaders, and dance cru represented our school with great pride. Our school recently participated in the program, "Read the Most from Coast-to-Coast" which coincided with Dr. Seuss' birthday. Saints Peter and Paul students were challenged to read books and take tests through the Accelerated Reader program. Students and staff members also kept the celebration going by dressing up as their favorite book character.

On March 18, 2016 Saints Peter and Paul School will hold 2016-2017 Kindergarten and Montessori Pre-School registration from 9:00-2:00 pm in the Father Moore room. Parents should bring the following information with you:

*Certified Birth Certificate, Immunization records, Social Security card, proof of preventive Health Screen/Well-Child Exam in last 12 months.

I encourage anyone to come and visit my classroom if you are considering registering your child. Kindergarten "curriculum" includes such events as snack time, recess, and individual and group activities in addition to everyday learning of reading, math, social studies, science and religion. Your child will get the guidance and support of a caring Christian learning environment. My door is always open.

A Family Perspective

Stoning is not just an ancient act of violence. Each day in our homes we throw stones of ridicule, criticism, name-calling and put-downs. Hear Jesus in today's gospel": "Whoever is without sin can throw the first stone." Rid your home of violence. Stop verbal stoning! - Bud Ozar

Fifth Sunday of Lent

No one is without sin except our merciful judge.

As Lent moves into its final full week, God has gathered us here today to witness and to ponder the new things that God is doing. How has your Lent been? Have you made progress on your repentance and reconciliation? It's still not too late! God calls you even now. Just as Saint Paul continues in his pursuit of the goal, so can we all continue to grow in our faith and love of God.
