Third & Fourth Grade Teacher

It is hard to believe how rapidly the 2016-2017 academic year has come to an end at Saints Peter and Paul! Our minds and hearts are full to the brim with the wonderful memories we have made this year. We were privileged to have a fantastic group of children and are so proud of each and every one of them. Following their graduation, our eighth graders will be moving on to high school at the end of summer instead of returning here to us. We will miss them greatly, but send them on their way with every blessing.

It is also a time to give thanks to all of you who have supported our school in any way. Please continue to keep us in your thoughts and prayers throughout the summer as we prepare for the next school year. We are still enrolling students, so spread the word! We have a great little school here and I would encourage you to consider enrolling your child if you have not done so. It is a caring environment in which children grow both academically and spiritually.

Until we return in August, I hope everyone enjoys a restful and replenishing summer with your families and friends! May God bless you all !
