

SCHOOL NEWS....Ricky D. White, Principal

Wow here it is already April 2018. Where did the year go?

Thank you for everyone that helped with the Fish Fry this year. We served 2600 people and generated over \$15,000 profit for the school.

I would like to invite you to explore SS Peter & Paul Catholic School. Please consider enrolling your child or grandchild for the 2018-2019 school year. It is more affordable than you think. We have many ways to help you with your tuition. If you noticed the trailer parked in the parking lot last week, it was a mobile Agriculture lab. Just one more way that we go above and beyond to enrich the children's learning experience. We also have individual Chrome books for all children from 1st to 8th grade.

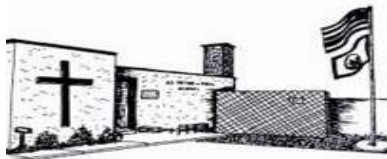

The success and traditions of SSPP are a result of the generosity and foresight of supportive visionaries. Our outstanding faculty and staff are dedicated to ensuring that our students receive superior training for High School and in all walks of life. Our mission sums up our purpose this way:

"Saints Peter & Paul Catholic School is Christ-Centered in its preparation of students to be productive, happy members of society in body, mind and spirit."

Perhaps what excites me most about SS Peter & Paul is that the mission of the school and my own beliefs about what makes schools effective are so closely aligned. For example, great schools like SSPP encourage intellectual vitality, foster communication, value diversity of experience, promote self-formation and aim to improve the community as a whole. All educational institutions should promote positive change in both the institution and the wider community.

Additionally, excellent schools provide genuinely expansive learning experiences. This helps determine how students deepen their understanding of themselves and their world. That work is strengthened by a strong partnership between families and the school and a shared commitment to develop an understanding of what's best for kids—in body, mind, and spirit.

I hope that you will visit us in person and look forward to meeting you soon. Thank you !

April 1 2018—Easter Sunday

(John 20: 1-9)

That first Easter morning was confusing. Jesus was missing and Mary Magdalene, Peter and John "did not know" what to do. In family life there are confusing moments when "we don't know" what to do. Like the apostles we are Easter people when we believe and trust in each other even when all seems lost.
