**April 21, 2019** (John 20: 1 - 9)

Millions of Christians around the world celebrate the Resurrection today. It all began simply on the first Easter with one person telling another: "Mary told Peter" and "they believed." Faith is passed one person to another; it is caught, not taught and parents are the most effective persons to pass faith to their children.

Please inform the parish office of any change of address and new phone/cell numbers. The information is necessary to keep our records accurate. Thank You!
