A Family Perspective.

Today Jesus warns us his Word will create conflict between parents & children. In a permissive society which advocated individualism and consumerism, parents must continue teach & live the gospel values of respect, service to others, forgiveness, generosity and compassion. A Christian family is a countercultural family. - Bud Ozar

Welcome back to all Teachers, Staff and Students!

Twentieth Sunday in Ordinary Time

"Jesus says: I have come to divide."

God has gathered us here today so that we may be strengthened in our faith regardless of the obstacles that we face. Being a disciple is difficult and can indeed cause division among the people we know. As we begin our worship today, let us pray for the strength to be the best disciples that we can be, and for the courage to do God's will whatever the cost.
