

Greetings from the Co-Art & Science Department!

On behalf of the faculty, students and staff, I would like to thank Dr. Greenwood for her service to our school in providing an outstanding science education foundation. She willingly gave of her time and energy to inspire and share her knowledge with our youth. Thank you Dr. Greenwood!

*Arts in the Park* is the topic in the Art Department. Our annual participation in this New River Gorge National Park Service event has students creating artwork based on native West Virginia wildflowers. Each student, K – 8, will choose a native wildflower and create a composition. The entry deadline is February 7, 2017.

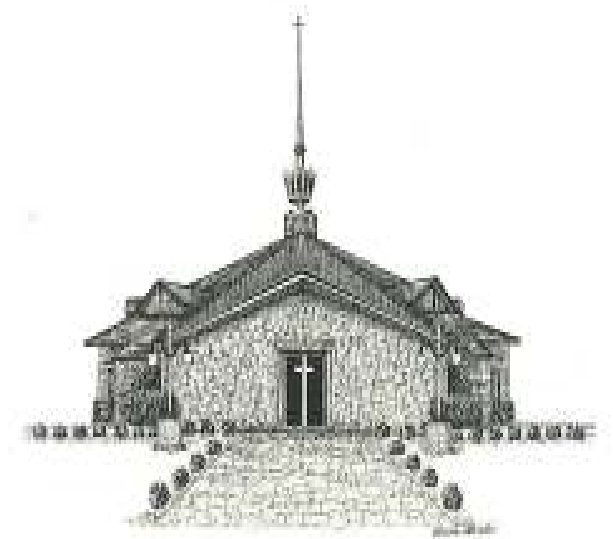

I am very excited to have the opportunity to teach Science for 3 – 6<sup>th</sup> grades. In addition to Art, Science is another one of my favorite subjects. I have the outlined course paths for each grade. Topics include the following units for the current six weeks: 3<sup>rd</sup> Grade – Earth's Land; 4<sup>th</sup> Grade – Earth's Surface; 5<sup>th</sup> Grade – Energy & Motion; and 6<sup>th</sup> Grade – The Living Planet. I look forward to the challenge and hope to inspire our students.

Sincerely,  
Mrs. Dean
