1st/2nd grade Teacher: Mrs. Hall

This month has been a wonderful learning experience for our classroom as we explored the facts about the first Thanksgiving. It was so interesting to see what the children brought in to eat on our last day. The food items were those that the students thought would have been served on that day long ago. Each one took a turn to pray and thank God for food, family, life and friendship. I wish you could have heard their sincere thankfulness. It reminds me that what we are doing here at Saints Peter & Paul is so important.

Thank you to all who support us as we endeavor to impact these precious little ones!

Give something, however small, to the one in need. For it is not small to one who has nothing. Neither is it small to God, if we have given what we could.

November 18, 2018 Mark 13:24-32

Today's gospel teaches us UNCERTAINTY is normal. There are some things in life which "no one knows ...only the Father." Marriage and parenting are full of uncertainty for like the fig tree in the gospel, the people we love grow and change.
