

SCHOOL NEWS..... Martha Hall (1-2 grade teacher)

Cooler weather is finally here but we still can't believe it's warm enough for shirts and shorts in November!

We have been so busy with so many different activities. Our first and second graders are growing green beans, (we ate our first harvest this week). In math we are creating and interpreting different types of graphs. Posters are going up and speeches are being given in preparation of elections for student council. And perhaps more importantly, our reading levels are going through the roof. Abridged classics such as Robinson Crusoe, 20,000 Leagues Under the Sea, and Treasure Island are but a few of the 5th and 6th leveled books they are reading.

Saints Peter and Paul is a great place for learning. Spread the word. Let's not keep this a secret!

Each church is asked to donate either money or small turkey breasts (**\$1.39 /pound this week at Grants**) to be distributed for Thanksgiving. Money and/or turkey breasts may be dropped off at our church office during regular office hours. Checks should be made payable to the “Fayette Plateau Ministerial Association” with food pantry on the memo line.

We also are in need of volunteers to work that day. If available, please come to the Lewis center at 8:30 am that morning.

Second Collection

Next week's collection for the Catholic Campaign for Human Development (CCHD) needs your help. CCHD was founded to break the cycle of poverty in the US by funding organizations that help individuals help themselves. With a tradition of improving education, housing situations, & community economic development, CCHD continues to make a positive impact in communities nationwide. Your contribution will defend human dignity & reach out to those living on the margins.

A Note to SSPP Parish:

To my brothers and sisters in Christ—
I wish to thank you for the blessings that I received through your prayers. I have been through two vocal cord surgeries and there is no cancer. I am battling Leuloplakia (callouses on the vocal cords) and the right vocal cord does not work. God and I have been dealing with this since June 9th. I still have a long road ahead and I am praying for complete healing in order to continue to carry us through the struggles we will be facing in the days to come. God Bless!
