

School Notes....

Martha Hall, 1st/2nd grade teacher

Greetings from Saints Peter and Paul 1st and 2nd grades.

We have completed our review of last year's work and are ready to plunge into this year's challenges. First grade is learning new words daily and adding numbers together. Our second graders are beginning multiplication and expanding their vocabulary with new exciting books. Our new science books give us tons of new information and virtual experiences. We have explored seeds and planted beans which are about one foot tall already. We can't wait to eat the new beans.

This group is so eager to learn! Each day is an exciting new experience. I'm so blessed to be a part of our school.

We continue to need your prayers and support in order to succeed. Thank you for your faithfulness in doing so.

**If you would like to be on the sub list please let us know. If you are interested please contact Ricky White at the school 304-465-5045 or via cell phone 405-812-5448.
