

## School Notes.... ..

**Gemma White, Kindergarten teacher**

Greetings!!!

This year's Kindergarten class is facing a unique challenge. In spite of having a small class, we are still doing what a normal class is supposed to be doing. Currently, the students are enjoying putting together the sounds of the letters of the alphabet to make words to start reading and writing. In Math they are presently facing a difficult challenge of identifying which number comes first, next, before, after and middle. We are grateful to have with us every Monday one of the experts in Science to help my kids without expecting anything in return. Thanks Dr. Greenwood!

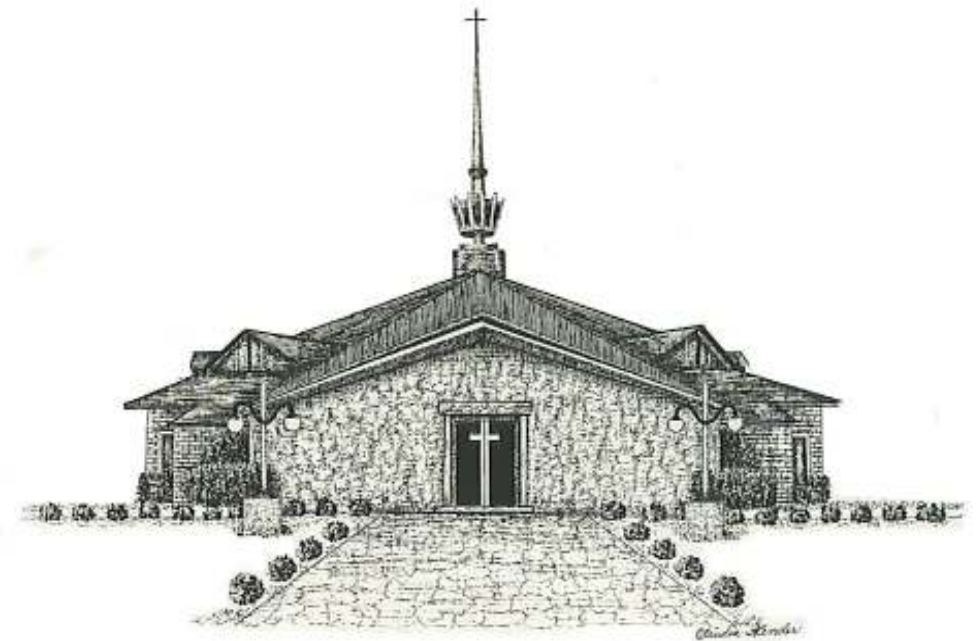

The 7th graders will be having a 3 days activities at Camp Magis on Sept. 27-29. I would like to take the opportunity to give thanks to my school and church family for your love, support and prayers during my hard times. I didn't walk alone. To the Mrozek family, Keaveny family, Dr. & Mrs. Glover, Jake and Kathy, thank you for helping us move while Ricky was in the hospital. I could not have done it without you. The Murphy family, Dean family, Mary Ann Smith for taking care of my children and hauling them to and from their games thank you coach Keaveny and coach Smith. Words are not enough to express how much I appreciate your kindness. Thank You! and Thank you for loving us.

\*\*If you would like to be on the sub list please let us know. If you are interested please contact Ricky White at the school 304-465-5045 or via cell phone 405-812-5448.
